ADVANCED DIPLOMA IN AUTOMOTIVE MECHATRONICS (ADAM) **Prospectus for Admission**

Government Engineering College, Barton Hill is a premier institute located right at the heart of the capital city of Thiruvananthapuram. It stands out for academic excellence and remarkable achievements of its alumni. Another highlight is an extremely dedicated and highly qualified team of faculty members. Within a relatively short span of time the college has grown on to become a name to reckon with in the academic and industrial milieu. The college is affiliated to the University of Kerala and comes under the Directorate of Technical Education, Government of Kerala.

Mercedes - Benz India Private Ltd is wholly owned subsidiary of Daimler AG, Germany with its headquarters in Pune, Maharashtra, India. Mercedes-Benz has been associated with India for more than 50 years. Presently, Mercedes-Benz India's engagement in India covers several domains:

- Local assembly & import of Mercedes-Benz cars
- Global sourcing of auto components
- Captive automotive technology research and development.

Advanced Diploma in Automotive Mechatronics is one of the social-oriented programs initiated by Mercedes-Benz India in collaboration with prestigious Government Institutions across India.

Course Aim

- To train aspiring engineers on latest automotive technology using latest, world-class tools and equipments to fulfill the need for skilled human resources in automotive field.
- To develop multi disciplinary competency amongst engineers to cater to the contemporary automotive technology.
- To develop various soft skills and in particular thorough communication skills.

Course Objectives:

After completion of this course the students will be able to

- Remove and install components of a car.
- Measure mechanical, electrical and electronics parameters for systems and components used in a car
- Carry out PDI (Pre-Delivery Inspection) and Maintenance of a car.
- Read and interpret the wiring diagrams of a car.
- Use modern diagnostic equipments.
- Diagnose various faults and rectify the same.
- Communicate with customers and others for technical issues on the vehicle.

Course Modules : The Course consists of four modules –Mechanical, Electronics, Vehicle Systems & Soft Skills

Training Methodology

- Self reliant learning under continuous guidance from specially trained faculty.
- Learning in a team of maximum of five members.
- Tasks specially designed for developing skilled mechatronics professional.
- Group discussions, presentations, debates and performing similar tasks for personality development.
- Limited number of students per class (maximum 20).
- Personal attention ensured by having one trainer for every 10 students

Eligibility for admission

Candidates who have a Degree/Diploma in Mechanical Engineering / Automobile Engineering / Electrical & Electronics Engineering / Electronics & Instrumentation Engineering / Mechatronics / Applied Electronics and equivalent disciplines. Final year B.Tech. students with 6.5 CGPA till seventh semester and without live back papers are also eligible.

Submission of Application

Application forms are available on the website of Government Engineering College, Barton Hill, Thiruvananthapuram. Candidates seeking admission can send downloaded and duly filled in application form. The form should accompany a Demand Draft of Rs 500/- (Rs. 250/- for SC/ST candidates) in the name of “Coordinator, ADAM, Government Engineering College, Barton Hill” drawn on any SBT branch and payable at Trivandrum. All such applications will be scrutinized and eligible candidates will be called for the entrance test. Result of the entrance test and list of finally selected candidates will be displayed on website within 10 days after entrance test. For more details, please refer the website www.gecbh.ac.in
