

Guidelines for Photography Competition for Engineering College Students of Thiruvananthapuram City in connection with World Water Day

Students can register for the photography competition by sending an email specifying the college name along with the photograph and consent from the college principal in the email id tplc.gecbh@gmail.com

1. Photographs must meet the following specifications:
 - + Upload images with the original pixel size (unless cropped). Do not scale and do not change the resolution.
 - + Must be uploaded in JPEG format with high quality compression. We will use winning images for high quality reproduction.
2. Pictures must not show the name of the photographer
3. All pictures must have accurate captions, written in English only.
4. The content of a picture must not be altered by adding, rearranging, reversing, distorting or removing people and/or objects from within the frame. There are two exceptions:
 - + Cropping that removes extraneous details is permitted.
 - + Removing sensor dust or scratches on scans of negatives is permitted.
5. Adjustments of color or conversion to grayscale that do not alter content are permitted, with two exceptions:
 - + Changes in color may not result in significant changes in hue, to such an extent that the processed colors diverge from the original colors.
 - + Changes in density, contrast, color and/or saturation levels that alter content by obscuring or eliminating backgrounds, and/or objects or people in the background of the picture, are not permitted.

The theme for the photography competition is “Nature for Water”

The first, second and third winners will be awarded cash prizes and certificates by the Hon. Principal Secretary, Department of Higher Education, Dr. Usha Titus IAS at the two day National Seminar on Water Smart Cities-Challenges and Opportunities in Kerala to be held at South Park on March 19th, in connection with World Water Day Celebrations 2018. All the received photographs will be exhibited at the National Seminar.
